dattmickson.github.io

Junior Developer Student specializing in JavaScript with competency in both front and back end development. I have a strong interest in development and a deep rooted craving for knowledge which complements the JavaScript language as it is constantly changing. I also have strong written and verbal communication skills and am highly effective both in team environments and working independently.

-----TECHNICAL SKILLS-----

Languages: JavaScript, HTML, CSS
Frameworks/Libraries: React, Angular, Bootstrap, Socket.io
DataBases: SQL(Postgres), MongoDB
Build Technologies: Grunt, Gulp, Webpack
Tools: Sublime, Git, Github, Slack
Skills: Agile/Scrum, debugging, wireframing, deployment
Current Projects: Angular 2, Typescript

-----TEAMWORK AND LEADERSHIP EXPERIENCE-----

Recruitment Director

Delta Sigma Phi - *West Lafayette, IN* Oct. 2015 - April 2016

- Established action plan leading to a 230% increase in membership.
- Served on Executive Board overseeing strategic plan for 100+ active members, alumni engagement and community outreach.
- Gained insight into how to work with, lead, and delegate within large and small teams.

Lacrosse Team Captain

Carmel Lacrosse - *Carmel, IN* Aug. 2013 - May 2014

- Worked with coaching staff to redesign defensive strategy, leading our team to win the IHSLA state championship, and achieving the highest efficiency defense in school history.
- Influenced and facilitated attitude, improving overall effectiveness of interpersonal dynamics within team.
